

...where fun learning begins

# Learn Thru Play

A fun-filled play school that offers specially-tailored programmes for toddlers & pre-schoolers to learn through quality play experiences. Children as young as 16 months, engage in "seeing", "hearing" and "doing" experiences, which promote building of positive relationship with other children, acquisition of knowledge, development of skills and shaping of a wholesome child. We believe every little hand can be trained; every little mind can be developed; every little heart can love and be loved!
